

Kisbárány vagyok, terelget az Isten,  
nála jobb pásztor a világban nincsen.

A szívemben  
béke van,

A colorful illustration of a pastoral scene. In the upper left, a bright orange sun with radiating lines is positioned behind a large, fluffy white cloud. A shepherd, dressed in a dark blue tunic and a dark blue cloak, stands on a grassy hillside. He holds a long, curved staff or crook in his right hand and a small brown pouch at his belt. Five white sheep with black faces and tails are scattered across the green grass. One sheep stands near the center, another to its left, and three more are on the right side. In the lower foreground, a small white lamb with a pink nose and ears stands on a grassy bank next to a shallow, blue-tinted stream. Large, rounded green boulders are visible on either side of the stream. The background shows rolling hills under a light blue sky.

Csodás legelőt  
készített nekem.

Csak nekem egyedül!

Ott minden vágyam beteljesül.

Szívemet örömmel  
tölti tele.

Több nem is fér bele.
